(S-1)14 Cr. 387**

I write with the consent of the government & pretrial officer Anna Lee to request modification of Mr. Feng's bail conditions to permit the release of his passport to him on Friday, March 25, 2016 from 9:00am to 5:00pm.

This request is made to permit Mr. Feng to go to the Chinese embassy in New York City to complete the necessary paper work (a sworn declaration) which will permit the sale of his mother's house in China. Mr. Feng's mother is currently in grave medical condition and her hospitalization has necessitated the sale of her home to pay for medical treatment.

Although Mr. Feng is not an owner of the home, the Chinese government requests that all potential heirs sign a release of any potential rights to the property that they might possess.

As a condition of the proposed bail modification, Mr. Feng will deliver proof to Officer Ms. Lee of the visit to the Chinese embassy.

Mr. Feng is subject to electronic monitoring and home confinement.

Very truly yours

James Roth
